Some of these rare items are more rare than others... but does their rarity make them feel special? Is time-limited content really a badge of honor?.. I personally think trying to keep the Mage Tower challenge balanced and up-to-date would be a bit of a distraction from current content, and it's probably not something the development team would want to devote time to.. The only appearance going away will be the Mage Tower To quote the Ryan Reynolds meme, but why? The developers weighed in with their reasoning.
